

This contract of commitment is for _____ to agree to join and remain on Spokane Gymnastics Bronze Team from October 1, 2021 through May 31, 2022.

During holiday breaks when instructional classes are not offered at Spokane Gymnastics, either a regular or an alternate practice schedule will be provided. With the exception of June of each year having flexibility for each gymnast and family, and the month of team camp being pro-rated to 75%, I understand that tuition is not prorated for times when training is provided, but make-up options are available.

The parties named agree to the following:

1. This contract is a binding agreement between Spokane Gymnastics and _____.
2. Practices will be an average of 4 hours per week at Spokane Gymnastics Pines, with special make-up accommodation provided for pre-scheduled absences or illness.
3. The monthly tuition charge will be deducted from customers account by automatic withdrawal between the 1st and 5th of each month. There is no fee for this service, unless multiple transactions are declined.
4. A minimum of 3 meets will be attended in the Intermountain West, seven options will be provided, plus state. Competitions offered and attended will depend on COVID, and all parties understand that things may change again. Spokane Gymnastics will work with each family to provide the best experience possible, and if a family does not feel comfortable attending a meet or a competition gets canceled, Spokane Gymnastics will pass on whatever refunds (if any) are provided from the host gym, minus 10%. Please note that many hosts do not provide refunds and there are many expenses involved with hosting a competition, even canceled events.
5. I understand that competition fees are \$150 per gymnast, paid to Spokane Gymnastics, per meet, no matter the location or the fee the host gym charges and that \$100 competitive fee will be added to monthly auto-pay from October 2021 - June 2022 if six meets are signed up to attend. If the gymnast decides to compete in 5 meets – then competition fee of \$100 will be added to monthly auto-payments October 2021 - March 2022 and \$50 in April 2022. If the gymnast decides to compete in 4 meets – then competition fee of \$100 will be added to monthly auto-payments from October 2021 - March 2022.
6. If needed, I will invest in private lessons for my daughter to learn choreography or master specific skills.
7. Agree to abide by rules and policies as detailed in specific Team Handbook (provided).
8. Should commitment require cancellation at any time the following options are available:
Option #1: Should said commitment be canceled due to injury, illness or relocation of more than 25 miles, contract will be terminated without further charge. The team joining fee is non-refundable, no matter the situation.
Option #2: Should said commitment be canceled for any reason (other than listed in Option #1) 30 days written notice is required and two months tuition will be charged to customers account, in addition to any and all unpaid fees for tuition, assessments, apparel, etc.
