Level 3 - Six meets each season, excluding the December 4 Practice Meet, (which is included in annual assessments), but does include Spokane Gymnastic's home meet - the Lucky Charm Invitational.

USAG Developmental Program 2022 Season Assessment Fees:

Level 3 - \$1200 total (\$150 monthly payment added to October 2021 - May 2022 autopay)

Includes meet fees, coaches travel and coaching for the regular season

Attending State goes towards the minimum meets attended for an athlete. However, to compete at the 2022 State Championships, a qualifying score is required, and the competition fee is \$200.

For those gymnasts who qualify for and decide to compete at regionals, the competition fee is \$300 if six or more girls from one team attend. If five or fewer gymnasts from one team, then price scenarios will be provided in advance of State so each family can make an informed decision.

\$500 uniform package includes competition leotard, warm-up (jacket and pants) and team backpack – if needed, charged to the card on file on October 15

\$63 USA Gymnastics Competition Fee (paid directly to USAG when registering)

If needed, private lessons with team coach to learn choreography.
